COCOLILY & CO.

a summer lookbook

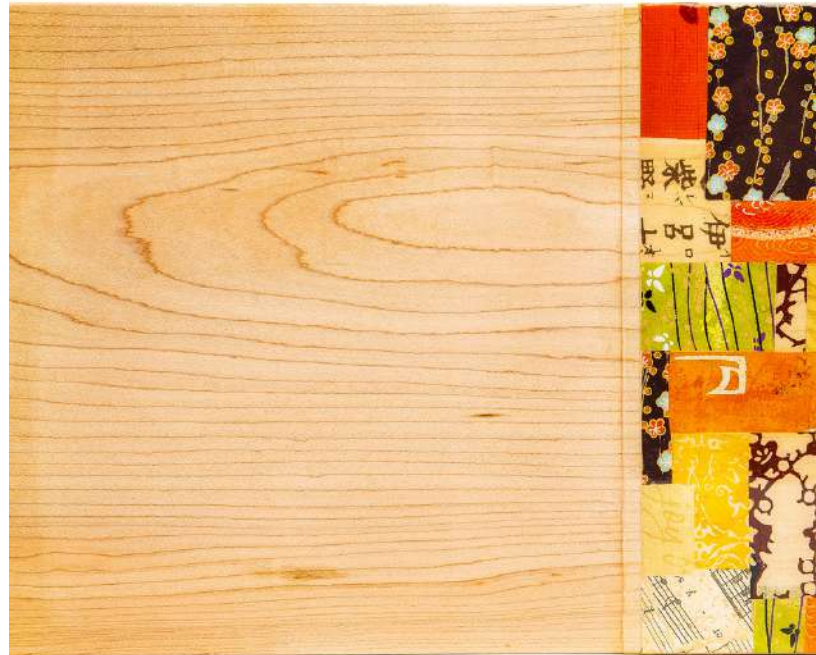

"And so with the sunshine and the great bursts of leaves growing on the trees, just as things grow in fast movies, I had that familiar conviction that life was beginning over again with the summer."

— F. SCOTT FITZGERALD, THE GREAT GATSBY

SERVING PLATTERS MADE FROM MAPLE WOOD FEATURING ORIGINAL HAND-PAINTED DESIGNS.

AFTERGLOW IMAGES

Based in the beautiful Niagara region in Ontario, I produce beautiful and meaningful images for weddings, boudoir, maternity and more. Whether you book a session for maternity, boudoir, or a wedding, it is about feeling great and showing off what makes you beautiful, but it can also be a deeply personal experience where we explore what it means to be you. When you look back at these photographs in years to come, I want you to feel all the beautiful emotions you are feeling right now. I preserve it all in still frames.

Bluebell Confectionery offers custom cakes and confections made with high quality ingredients. Our vision is to embrace and bring feminine florals and colours through our baked goods. Due to the current Covid-19 situation, we have focused on offering beautiful mini cakes and confections to keep celebrating life events!
