DAILY MYLES

I started DailyMyles almost 5 years ago when my first little boy, Myles, had just turned a year old. I wanted to make accessories for him that were a little different than what I was finding in the big name stores. Beanies, bibs and scarves were my original items. I added blankets and loveys when I was pregnant with my second boy, Clark.

I recently added masks to my shop and now make them in fun, stylish prints for all ages.

Every item is handmade by me in Whitby, Ontario.

PICKY PLATE

LET THEM BE PICKY!

Picky Plate is an FDA approved silicone kids plate that is dishwasher and microwave safe. It comes in 2 designs that each have a 2 ounce 'veto' spot so the kids can veto a small portion of their meal and have some control over what they eat. The research behind this idea shows that giving a child some control at meal time will take away some of their picky behaviours and make them more confident and empowered to make healthy choices.

THE ORIGINAL WEDDING SOIREE

Unveiling Spring 2021

A Beautiful Reminder.

Don't be so hard on yourself.

Take a moment.

Marvel at your life:

at the grief that softened you,

at the heartache that wisened you, at

the suffering that strengthened you.

Despite everything, you still grow.

Be proud of this.

Three Wicks

100% SOY CANDLES
HAND POURED

Three Wicks is named after my three daughters that are the light of my life. They are my pillars of strength and inspire me everyday to strive for more. 100% soy wax candles offer an alternative to traditional candles that are typically full of toxins. My candles are clean burning, better for the environment using wicks without lead and no added colour to help keep them as natural as possible. All the scents offered are phthalate free and provide a subtle yet pleasing scent to any room. Candles are hand mixed and poured from my home in Courtice, Ontario.

And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be. And whatever your labors and aspirations, in the noisy confusion of life, keep peace in your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.
